President Biden delivered, today, the State of the Union address to a joint session of Congress, at 9 PM ET to speak directly to the American people about the historic progress we've made, the work that lies ahead, and his optimism for the future. Obviously, a large part of this speech, was dedicate to war in Ukraine, being invade by Russian, since last Thursday 24 February. The President Biden, reminded that Putin's latest attack on Ukraine was premeditated and unprovoked. As a result of Putin's ongoing assault on Ukraine, President Biden and the leaders of the European Commission, France, Germany, Italy, the UK, and Canada decided to take specific measures to further isolate Russia from the international financial system. That's why he announced tonight « we will join our allies in closing off American air space to all Russian flights – further isolating Russia – and adding an additional squeeze –on their economy. He also explained that « It matters. American diplomacy matters. American resolve matters. » and made clear that : « Our forces are not engaged and will not engage in conflict with Russian forces in Ukraine. » The President Biden praised the Ukrainian people and reassured the full American support, and standing by them « Together with our allies we are providing support to the Ukrainians in their fight for freedom. Military assistance. Economic assistance. Humanitarian assistance. We are giving more than \$1 Billion in direct assistance to Ukraine. We are giving more than \$1 Billion in direct assistance to Ukraine. » We publish the part of the Remarks, that concerns Ukraine/ Russia 's conflict, delivered by the U.S President as it was delivered.

**"FREEDOM WILL ALWAYS TRIUMPH OVER TYRANNY" U.S PRES. BIDEN AMID RUSSIAN INVASION OF UKRAINE**

"And with an unwavering resolve that freedom will always triumph over tyranny. Six days ago, Russia's Vladimir Putin sought to shake the foundations of the free world thinking he could make it bend to his menacing ways. But he badly miscalculated. He thought he could roll into Ukraine and the world would roll over. Instead he met a wall of strength he never imagined. He met the Ukrainian people. From President Zelenskyy to every Ukrainian, their fearlessness, their courage, their determination, inspires the world. Groups of citizens blocking tanks with their bodies. Everyone from students to retirees teachers turned soldiers defending their homeland. In this struggle as President Zelenskyy said in his speech to the European Parliament "Light will win over darkness." The Ukrainian Ambassador to the United States is here tonight.

Let each of us here tonight in this Chamber send an unmistakable signal to Ukraine and to the world. Please rise if you are able and show that, Yes, we the United States of America stand with the Ukrainian people. Throughout our history we've learned this lesson when dictators do not pay a price for their aggression they cause more chaos. They keep moving. And the costs and the threats to America and the world keep rising. » President Biden acknowledged.

**THAT'S WHY THE NATO ALLIANCE WAS CREATED TO SECURE PEACE & STABILITY IN EUROPE AFTER WW 2 » PRES. BIDEN EXPLAINED « That's why the NATO Alliance was created to secure peace and stability in Europe after World War 2. The**

United States is a member along with 29 other nations.

« AMERICAN DIPLOMACY MATTERS AMERICAN RESOLVE MATTERS »

It matters. American diplomacy matters. American resolve matters. Putin's latest attack on Ukraine was premeditated and unprovoked. He rejected repeated efforts at diplomacy. He thought the West and NATO wouldn't respond. And he thought he could divide us at home. Putin was wrong. We were ready. Here is what we did. We prepared extensively and carefully. » As President Biden repeated speaking of Vladimir Putin, who he never mentioned as the Russian's « President ».

We spent months building a coalition of other freedom-loving nations from Europe and the Americas to Asia and Africa to confront Putin. I spent countless hours unifying our European allies. We shared with the world in advance what we knew Putin was planning and precisely how he would try to falsely justify his aggression. We countered Russia's lies with truth.

And now that he has acted the free world is holding him accountable. Along with twenty-seven members of the European Union including France, Germany, Italy, as well as countries like the United Kingdom, Canada, Japan, Korea, Australia, New Zealand, and many others, even Switzerland.

« WE ARE INFLICTING PAIN ON RUSSIA & SUPPORTING THE PEOPLE OF UKRAINE. PUTIN IS NOW ISOLATED » PRS. BIDEN SAID

« We are inflicting pain on Russia and supporting the people of Ukraine. Putin is now isolated from the world more than ever.

Together with our allies –we are right now enforcing powerful economic sanctions. We are cutting off Russia's largest banks from the international financial system. Preventing Russia's central bank from defending the Russian Ruble making Putin's \$630 Billion "war fund" worthless. We are choking off Russia's access to technology that will sap its economic strength and weaken its military for years to come. Tonight I say to the Russian oligarchs and corrupt leaders who have bilked billions of dollars off this violent regime no more."

« THE U.S DEPT OF JUSTICE IS ASSEMBLING A DEDICATED TASK FORCE TO GO AFTER THE CRIMES OF RUSSIAN OLIGARCHS » PRES. BIDEN WARNED

« The U.S. Department of Justice is assembling a dedicated task force to go after the crimes of Russian oligarchs. We are joining with our European allies to find and seize your yachts your luxury apartments your private jets. We are coming for your ill-begotten gains."

« I AM ANNOUNCING THAT WE WILL JOIN OUR ALLIES IN CLOSING OFF AMERICAN AIR SPACE TO ALL RUSSIA FLIGHTS » PRES. BIDEN SAID

"And tonight I am announcing that we will join our allies in closing off American air space to all Russian flights – further isolating Russia – and adding an additional squeeze –on their economy. The Ruble has lost 30% of its value. The Russian stock market has lost 40% of its value and trading remains suspended. Russia's economy is reeling and Putin alone is to blame. Together with our allies we are providing support to the Ukrainians in their fight for freedom. Military assistance. Economic assistance. Humanitarian assistance. We are giving more than \$1 Billion in direct assistance to Ukraine. And we will continue to aid the Ukrainian people as they defend their country and to help ease their suffering. "President Biden Said.

"OUR FORCES ARE NOT & WILL NOT ENGAGE IN CONFLICT WITH RUSSIAN FORCES IN UKRAINE" U.S PRES. BIDEN EMPHASISED

"Let me be clear, our forces are not engaged and will not engage in conflict with Russian forces in Ukraine. Our forces are not going to Europe to fight in Ukraine, but to defend our NATO Allies – in the event that Putin decides to keep moving west. For that purpose we've mobilized American ground forces, air squadrons, and ship deployments to protect NATO countries including Poland, Romania, Latvia, Lithuania, and Estonia. As I have made crystal clear the United States and our Allies will defend every inch of territory of NATO countries with the full force of our collective power. And we remain clear-eyed. The Ukrainians are fighting back with pure courage. But the next few days weeks, months, will be hard on them.

Putin has unleashed violence and chaos. But while he may make gains on the battlefield – he will pay a continuing high price over the long run. And a proud Ukrainian people, who have known 30 years of independence, have repeatedly shown that they will not tolerate anyone who tries to take their country backwards. " A RUSSIAN DICTATOR INVADING A FOREIGN COUNTRY HAS COSTS AROUND THE WORLD » PRES. BIDEN CONFESSED« To all Americans, I will be honest with you, as I've always promised. A Russian dictator, invading a foreign country, has costs around the world. And I'm taking robust action to make sure the pain of our sanctions is targeted at Russia's economy. And I will use every tool at our disposal to protect American businesses and consumers.

" I CAN ANNOUNCE THAT THE U.S.A HAS WORKED WITH 30 OTHER COUNTRIES TO RELEASE 60 M BARRELS OF OIL FROM RESERVES AROUND THE WORLD" REASSURED PRES. BIDEN

"Tonight, I can announce that the United States has worked with 30 other countries to release 60 Million barrels of oil from reserves around the world. America will lead that effort, releasing 30 Million barrels from our own Strategic Petroleum Reserve. And we stand ready to do more if necessary, unified with our allies. These steps will help blunt gas prices here at home. And I know the news about what's happening can seem alarming. But I want you to know that we are going to be okay. When the history of this era is written Putin's war on Ukraine will have left Russia weaker and the rest of the world stronger. While it shouldn't have taken something so terrible for people around the world to see what's at stake now everyone sees it clearly. We see the unity among leaders of nations and a more unified Europe a more unified West. And we see unity among the people who are gathering in cities in large crowds around the world even in Russia to demonstrate their support for Ukraine. In the battle between democracy and autocracy, democracies are rising to the moment, and the world is clearly choosing the side of peace and security.

"PUTIN MAY CIRCLE KYIV WITH TANKS BUT HE WILL NEVER GAIN THE HEARTS & SOULS OF THE UKRAINIAN PEOPLE " U.S PRES. BIDEN SAID " This is a real test. It's going to take time. So let us continue to draw inspiration from the iron will of the Ukrainian people. To our fellow Ukrainian Americans who forge a deep bond that connects our two nations we stand with you. Putin may circle Kyiv with tanks, but he will never gain the hearts and souls of the Ukrainian people. He will never extinguish their love of freedom. He will never weaken the resolve of the free world."...Source White House as it was delivered.
